MDIA/Tech Whiz - GDPR Statement <https://www.techwhizkids.eu/>

Malta Digital Innovation Authority ('MDIA') is established by virtue of the Malta Digital Innovation Authority Act, Chapter 591 to seek the development of the innovative technology sector in Malta through proper recognition and regulation. The MDIA's mission is to lead as the national focal point which directs and facilitates the secure and optimal uptake of digital innovation.

MDIA has put in place appropriate security measures to prevent Personal Data of Data Subjects from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, MDIA limits access to the Personal Data of Data Subjects to specific individuals. Third parties mentioned in the previous clause will only process Personal Data of Data Subjects on the instructions of MDIA and they are subject to a duty of confidentiality. Moreover, hard copies of Personal Data which are kept by MDIA are locked in a filing cabinet whilst Personal Data stored electronically will be subject to access controls, and passwords and encryption software will be used where necessary. For further information, kindly request for the IT Security Policy of MDIA.

Data subjects are invited to go through the Privacy Policy which is intended to explain how MDIA in marketing, organising, managing and executing the "Gozo Tech Whiz Summer School" collects, processes and store Personal Data of Data Subjects in order for the MDIA to fulfil the requirements of the Data Protection Act, Chapter 586 of the Laws of Malta and of the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council). The said Privacy Policy also explains how MDIA uses Personal Data, with whom this information might be shared and the ways in which the MDIA protects this Personal Data. Moreover, the said Privacy Policy clarifies the rights that Data Subjects have and the decisions that they can make about their Personal Data held by the MDIA.

It is important that Data Subjects read the said Privacy Policy together with any other related document so that Data Subjects are fully aware of how and why the Personal Data of the Data Subject is being used and what rights they have. This Privacy Policy supplements other documentation and is not intended to override them.
